DIRECT MATERIAL SUPPLIES

Our Vision

To be the premiere trusted partner and preferred provider of engineering services and wear solution to the mining, haulage, gas and oil industries in globally.

Our Mission

To deliver significant business value to our customers globally by providing engineering services and a wide range of wear solutions to improve overall operating cost to enhance profitability.

Core Values

Excellence:

To provide our customers with quality products and services exceeds expectations.

Integrity:

We transact business with honesty and integrity, not compromising the truth.

Passion For Results:

We show pride, enthusiasm and dedication in everything we do. We are committed to providing solutions to operational challenges.

Respect:

We treat everyone with respect at all times to create an environment that pushes us to constantly excel.

People Development:

We take keen interest in the development of our staff and upgrade the skills of our customers through workshops and seminars.

Accountability:

We are accountable for our performance and results.

The DMS team

Office Block

Established and duly registered in 2001 as a mine support company, Direct Material Supplies (DMS) is a limited liability company that specializes in the supply of quality steels, genuine welding accessories and consumables as well as rendering of services. Currently, DMS has two (2) branches in Ghana Accra and Obuasi. The parent company DMS LLC is a USA offshore registered company with its office in Wilmington, Delaware.

As a mine support company we seek to always provide quality products to the mining industry in Ghana and the West Africa Sub-region as a whole. We have over the years developed and maintained Global Network relationship with high class manufacturers which assure the quality and competitive pricing of our products.

DMS continually provides an on-going and improving first class service to our customers that are constantly updated in line with the latest technology advances made within our industry. With our state of the art high definition Plasma cutting machine with a bed size of 2.6m width X 14m length, 600-ton Press Brake, Radial Arm Drill, 3D scanner, DMS has attained the status of SSAB Wear Part Member which is a global network of about 220 members.

As a front line supplies company our dedicated, creative and experience staff are always available to assist you with possible solutions to your difficult wear challenges and other needs. Whether your enquiry is small or large, low or high value you can count on us for the same level of attention and services.

We hold over 5000 tons of Hardox and other steels annually at our well-arranged stockyard in Obuasi-Ghana. We as well stock some of the world branded welding consumables and accessories from Esab, Lincoln, Cigweld and Miller etc.

Below are some of the world class manufacturers we have strategically allied ourselves to:

SWEDISH STEEL AB (SSAB) is the manufacturer of the best and toughest steels in the world. They produce steels such as Hardox, Weldox/Strenx, Chromium Carbide Overlay Plate, Armox etc. These steels are some of their award winning products we stock in Obuasi

Saint Gobain provides the very best in abrasive and other welding consumables branded Norton.

We are also the sole authorized agent for Farnell as well as Buck and Hickman.

We cut, roll, bend, drill, counter sink, counter bore and fabricate to specifications provided by the customer. We can also measure and draw up structures with no documented specifications. We offer liners made from Hardox and or Chromium Carbide Overlay plate for CAT 785C Tray, CAT 777D

Tray, 992K and 992G buckets, 9250, 984, 9350 buckets, front shovel, backhoe etc. Some of the companies we currently providing these services to include Newmont Ghana LTD both Akyem and Ahafo, Goldfields Ghana LTD, Kinross Chirano Gold Mine, Africa Mining Services, Mantrac, Semos Sadiola-Mali, Perseus Mining, BCM etc.
